Dear Parents and Friends of CCHS:

Catholic Central High School is conducting its twelfth annual After Prom Party on January 21, 2012 following our Semi-Formal Dance. This year's event will be held at the Clifton Park YMCA. Each year throughout the United States young people are killed or injured on prom night due to alcohol or other substance abuse, alone or mixed with driving. In an effort to provide a positive alternative available for our students, we as parents and school administrators working together, have arranged for a night of scheduled activities. The event will include food, music, regularly scheduled raffles of prizes throughout the evening (students must be present to win).

Funding for this party comes from fund raising and donations. We are asking for any type of donation (financial, gift certificate or gift item) for the event. Your support will help make this another successful and safe evening for our students and their families. If you are able to make a donation to the After Prom Party, please send it to the Main Office. If you have any questions regarding appropriate donations, please contact the main office at 235-7100.

Also, we are in need of chaperones for all or part of the After Prom Party. If you are available to chaperone, please call me at 235-7100.

We thank you in advance for your consideration of our request. All donations will receive recognition at school and in the printed program of events that will be distributed the night of the party.

Sincerely,

A handwritten signature in cursive script that reads 'Christopher Bott'.
